WORK EXPERIENCES

Virtual Assistant

Freelance | 2023 - Present

- > Managed 9 Geelark virtual phone profiles running simultaneous accounts across TikTok, Instagram, YouTube, X, and Reddit, maintaining consistent posting schedules and account health across all profiles
- > Built an influencer outreach tracking system in Google Sheets for a TikTok Shop campaign, categorizing replies, grading creator quality, and tracking the full sample dispatch lifecycle.
- > Started with data entry, research, and link building – including setting up basic WordPress sites – before moving into social media research and producing performance reports to inform content strategy

Contract & Quality Work

Telus International, Clickworker | 2022 - 2023

- > Performed quality assessments on online advertisements at Telus International, evaluating accuracy, relevance, and compliance against established quality thresholds to ensure content met platform and brand standards.
- > Completed structured online tasks at Clickworker including data verification, content tagging, and information research, maintaining consistency and accuracy across all assignments.

Online Non-Voice Tutor

Course Hero | 2021 - 2023

- > Answered academic questions by researching credible sources and writing clear, well-structured responses in English across a broad range of subject areas.

Office Clerk

Dr. Jorge P. Royeca Hospital | 2019 - 2021

- > Managed and submitted health insurance documents to support timely hospital claims.
- > Audited consignment records, checked for discrepancies, and prepared monthly reports by reconciling hospital and consignment inventories.
